

Selections from "Snow White's Hollywood Follies"

**Over Here, Over There**

Speaker 1: Come on, buddy, you start cleaning over there!

Speaker 2: Over where?

Speaker 1: Over there, to the left.

Speaker 2: Over here?

Speaker 1: YES! On the left. I will start on the right.

Speaker 2: I start on the left, you start on the right?

Speaker 1: Yes, we'll meet in the middle. Okay?

Speaker 2: Right.

Speaker 1: You mean left?!?

**Goldilocks**

Goldilocks: Oh, look! They left breakfast on the table.

    This big bowl looks good.

    Oh, no! It's too hot!

Narrator: So she tries the middle sized bowl.

Goldilocks: Ohhhh! That's too cold!

    What about this tiny little bowl?

    Not too hot, not too cold and sweet!

**Magic Potion**

    Magic potion which I drink,

    With blood of lizard and tail of mink.

    Disguise this queen in a bundle of rags,

    And hide this wrinkly and wicked old hag.
